Reported by the Commercial Advertiser through Francis, Bro. & Co., No. 214 North Fourth street: New York, Sept. 8.—Foreign: Market for Americans in London was weak. Colorado Fuel-Street seemed to take it for granted that the dividend on the preferred stock of C. F. L. had been passed till the financial rehabilitation of the company has been completed by the new interests.

Metropolitan—Mr. Ryan's denial of the stories of the alleged reasons why he thought Kuhn, Loob & Co. holdings did not seem to be very favorably received by the appeculative contingent on the exchangs. Purchasers for an advance in the stock said they were discouraged and did not know what to make of the contradicting statements.

Atchison—Opinion is fairly general that Atchison has been the most highly-manipulated stock on the list. To-day's opening was watched with interest for evidence of further buying from the people who bought yesterday. The early dealings, however, gave the impression that the sellors were much more anxious than the buyers. Jacob Field and Houseman bid for the stock, but the former appeared to be selling through other agents. Harris, Gates, who were heavy buyers yesterday, sold to-day.

Rending-The selling in Rending, which was Reading—The selling in Reading, which was particularly heavy the first hour, seemed to originate much more largely in the room than yesterday. Jacob Field sold 5,000 shares and Manning and other traders helped to offer the price down. Discussion turned entirely upon the position of the stock. According to expert opinion the insiders unloaded a great deal of both Reading and Eric on the recent advance and would not be averse to getting them back cheap.

At all events, it is argued that the floating supply of the coniers has increased intely and that the selling short is less dangerous in this than in most other quarters of the market.

INVESTIGATING AFFAIRS AT PAWNEE INDIAN SCHOOL

MOBILE AND OHIO.

Charges Have Been Filed That the Institution Was Not Being Conducted Properly.

Guthrie, Ok., Sept. 3.-S. M. Brostus, special representative of the Indian Rights Association of Philadelphia, and C. S. McNichols, special agent of the Department of Indian Affairs, at Washington, are now engaged in an investigation of affairs in the conduct of G. R. Harvey, special and disbursing agent of the Pawnee Indian School at Pawnee, Ok. It is charged by the members of the Pawnee tribe that Indian women have been refused permission to visit their children in the school, while at other times they were abused and ejected from the grounds. A number of Northwestern Okmen are also said to be guardians for a

number of Indians, contrary to law, which

dian Territory is only beginning, and is hoping that the Government will probe the matter to the bottom. The investiga-tion at Pawnee will be concluded this week, finishing the investigation in Okia-homa affairs for the present. JURY AWARDS MRS. HASLIP \$1.

Breach-of-Promise Case Is Ended at Taylorville, Ill. REPUBLIC SPECIAL.

Taylorville, Ill., Sept. 3.-The breach-ofpromise case for \$25,000 brought by Mrs. Carrie Haslip of Indianapolis against Fred Payne of Crab Orchard, Ky., was ended to-day, when the jury brought in its verdict giving Mrs. Haslip \$1. The case has attracted a great deal of attention in this part of the State. The love letters of the two were read in the courtroom for six days to a large crowd

Mr. Payne's letters told of the many kisses he had received from her lips, and in many of her letters she told him he could have more kisses.

number of Indians, contrary to law, which provides that the position of guardian shall be only for one or two Indians.

It is also alleged that whites have taken leases on Indian allotments, holding them several months, while the banks used the money at an advanced rate of interest.

Brosius says the investigation in the In-
